

IN THE CIRCUIT COURT OF JEFFERSON COUNTY, MISSISSIPPI

MAXWELL NOBLE, ET AL.

RECEIVED & FILED

PLAINTIFFS

v.

JAN 24 2005

CIVIL ACTION NO. 98-0024

E.H. O'NEIL COMPANY, ET AL.

BURNELL HARRIS, Circuit Clerk

DEFENDANTS

By [Signature]  
ORDER

COMES NOW this Court and having been fully advised in the premises, does hereby find that the claims of the Plaintiffs in the above-referenced matter shall be severed and transferred or dismissed without prejudice as indicated below.

IT IS THEREFORE ORDERED that:

1. The claims of the plaintiffs in this action who are not residents of the State of Mississippi and who do not allege exposure to asbestos in the State of Mississippi (see Exhibit A attached hereto and fully incorporated herein by reference) are hereby dismissed without prejudice. Plaintiffs subject to this dismissal order are indicated on Exhibit A attached hereto by the notation "Dismissed Without Prejudice" in the Transfer/Dismissal Status Column.
2. The claims of all plaintiffs in this action who are residents of the State of Mississippi or who allege exposure to asbestos in the State of Mississippi are hereby transferred to the Circuit Court in the county indicated for each claimant in the Transfer/Dismissal Status Column on Exhibit A attached hereto. Said transfer is based on the information provided by Plaintiffs' Counsel subject to the mandates of Rule 11 of the Mississippi Rules of Civil Procedure. The Defendants have not waived their right to challenge venue in the transferee Court should it be determined that the information provided by Plaintiffs' Counsel to support venue was inaccurate.
3. To aid in the transfer of so many claims and in an effort to preserve some judicial economy, any Plaintiffs (all of which are severed from one another by order of this Court) who are being transferred to the same county may be transferred en mass and assigned separate cause of action numbers upon arrival in the transferee Court.

4. TRANSFERS ARE AT the cost of the PLAINTIFFS

SO ORDERED this the 24 day of JANUARY, 2005.
